Finish the background of the drawing to show a Nuthatch's natural habitat and colour me in to be in with a chance of winning a **FREE** family ticket\* on one of our family-friendly tours!\*

\*Ticket is for 2 adults and 2 children. Photograph your finished picture and email it to us with your full name, age and address to: [vineyard@saffrongrange.com](mailto:vineyard@saffrongrange.com)  
Closing date: 29 July 2022

## THE NUTHATCH

The mature oak, beech and pine trees at Saffron Grange provide the perfect nesting holes for this small, slate-grey, white-throated nutcracker. Recognisable by the long black eye-stripe, they are often seen climbing down trees head-first or splitting nuts and acorns in bark crevices.
